# Imaginer un outil "Têtes chercheuses"

A group of people are sitting in a circle on the floor in a workshop or classroom setting. In the center, a line of yellow sticky notes is laid out on the floor, with several markers scattered nearby. A woman with glasses is sitting cross-legged in the background, looking towards the center. Another woman is sitting on the right side, looking down. In the foreground, the back of a person's head wearing a blue knit hat and a blue sweater is visible on the left, and the back of a person's head with blonde hair in a ponytail is visible on the right. The scene is framed by a white border with a large white '0' in the top right and bottom right corners.
